Createspace, United States, 2013. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.Medicare s Competitive Bidding Program for durable medical equipment, prosthetics, orthotics, and supplies (DMEPOS) changes the amount Medicare pays for certain DMEPOS items and makes changes to which suppliers Medicare will pay to supply these items to you. The first phase of the program is already in effect in 9 areas of the country. Starting July 2013, Medicare is scheduled to expand the competitive bidding program to more areas. The program replaces the outdated, inflated fee-schedule prices Medicare is currently paying with lower, more accurate prices. Under this program, suppliers submit bids to provide certain medical equipment and supplies at a lower price than what Medicare pays for these items now. Medicare uses these bids to set the amount it will pay for those equipment and supplies under the competitive bidding program. Qualified, accredited suppliers with winning bids are chosen as Medicare contract suppliers. The program: Helps you and Medicare save money; Ensures that you have access to quality medical equipment, supplies, and services from suppliers you can trust; Helps limit fraud and abuse in the Medicare Program. If you have Original Medicare, live in one of the competitive bidding areas, and use equipment or supplies included under the program (or get the items while visiting a competitive bidding area), you generally must use Medicare contract suppliers if you want Medicare to help pay for the item. If you live in one of the areas where the program is expanding and you re renting oxygen or certain other durable medical equipment (DME) at the time the program starts, you ll be able to continue renting these items from your current supplier if that supplier becomes a contract supplier...
