The bullets fired from rifles and the ammunition from rocket propelled guns are a rage and these ricocheted the atmosphere .The citadel of pro-India political leadership has crumbled and the civilian governance is like ricks spread in various places unable to wield any authority. The semblance of government control is visible through forces personnel who roam in groups with guns dangling down their shoulders . The youngsters understood the story behind violence but not many stories conceived in the womb of the conflict. Stories of deceit and exploitation. And these stories gave birth to unholy nexus between the venal and the brute, people of different religion, varied outlook and background. And then such people colluded with each other to indulge in loot and plunder robbing our nation of resources. Resources of natural wealth and even human resources. The emotional and psychological health received a dent. In the process a love story, rather two go bust.
