ILLINOIS HISTORY STORIES: FOR USE IN ELEMENTARY SCHOOLS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Illinois History Stories: For Use in Elementary Schools The stories about Illinois grouped together in this little booklet were used by the author in several classes before he had any thought of putting them into print. At the suggestion of a number of teachers who, doubtless with more good will than critical judgment, believed they might be as acceptable to other pupils as they had proven in the classes observed, the task of preparing them for the printer was undertaken and completed. The work has been done in the midst of a multitude of other duties which forbade more than an hour or two of continuous attention. A book produced under such circumstances must show many marks of haste, lack of close connection in places, unfortunate choice of phraseology and, perhaps, some mistakes in statements of facts. The above explanation is our apology for these faults. It is hoped that the book may be useful as supplementary reading matter in the seventh and eighth grades of the grammar schools, and may also be an aid and incentive in the hands of the teachers of the lower grades for doing some oral teaching in the most interesting study of our own state geography and history. In the preparation of this book thousands of pages have been read covering all the accessible sources of information upon the Illinois country.
