

The Dark Side of Medicine: An Insider's View (Paperback)

By Marine and Coastal Management Robert J Anderson

Tate Publishing Enterprises, United States, 2009. Paperback. Book Condition: New. 206 x 130 mm. Language: English . Brand New Book ***** Print on Demand *****.Is medicine dying in this country? Will you have a doctor to take care of you in the future whom you trust and have confidence in? In *The Dark Side of Medicine, An Insider's View* Dr. Robert J. Anderson exposes the ominous changes that have taken place in the healthcare industry over the past twenty-five years. Anderson argues that if things continue on their current path, soon no one will be adequately cared for when illness strikes. How can this be in the greatest country in the history of the world? Anderson details the rigorous and lengthy training of doctors and explains that upon graduation they face an even greater challenge-making their practices economically viable. He also presents the industry changes many are making for the worse, and explains that our only chance is positive change, which can only be effected by us, the current and future patients. Otherwise, when disease and illness come none of us will have a very good prognosis. *The Dark Side of Medicine, An Insider's View* will inform you...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
