By Zukav, Gary

Fireside, 1990. Soft cover. Book Condition: New. From Publishers Weekly: "A laser is like a whole personality," writes Zukav. One section relates personal and national karma to the theory of Gaia, which holds that Earth is a single living entity with a soul. Though Zukav explores themes long familiar to astrologers and occultists, his high-minded synthesis is something more than old wine in a new bottle. From Library Journal Zukav describes a new form of evolution in which humans learn to value authentic power. Power based...
