## THE QUOTABLE JEFFERSON DAVIS: SELECTIONS FROM THE WRITINGS AND SPEECHES OF THE CONFEDERACY S FIRST PRESIDENT (PAPERBACK)

Sea Raven Press, United States, 2011. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Who was America s most important Civil War president? For those of us who live in the South it wasn t Abraham Lincoln, it was Jefferson Davis. If you re not as familiar with Davis as you are with Lincoln, it s not surprising: when the Northern victors rewrote the history of the Civil War, they glorified liberal Lincoln while all but ignoring conservative Davis - a biased trend that continues to this day. In this one-of-a-kind Civil War Sesquicentennial Edition, The Quotable Jefferson Davis, award-winning author, Southern historian, and Davis family relation, Lochlainn Seabrook, brings the Rebel leader s forgotten words and ideas back to life; traditional American beliefs that were once ardently embraced by over half of the United States. Included here, in some 300 footnoted entries, are examples of Davis core views on government, the Constitution, the Union, states rights, slavery, secession, his presidency, the War, the Confederacy, the Southern people, Lincoln, Yankees, Reconstruction, and more. Though brief, this is a significant work that should be required reading in every American home and school. For with the original intention of the Founding Fathers quickly disappearing (that, in Davis words, sovereignty is inherent in the people ), and with the central government continuing to enlarge on a daily basis, this book s powerful message and revolutionary contents are now more topical than at any time since President Davis took office in 1861. An attractive, unique, affordable, and popular tourist-friendly work that will appeal to both casual Civil War buffs and hardcore academicians alike, The Quotable Jefferson Davis is the perfect addition to any retail outlet, including Civil War sites, historic houses, museum gift stores,...
