Reviews

An extremely amazing publication with lucid and perfect answers. It is written in easy phrases instead of confusing. I am just very happy to inform you that this is the best pdf we have read in my own daily life and can be the greatest publication for at any time.

(Mrs. Madonna Bosco)

TRANSACTIONS OF THE MINNESOTA STATE MEDICAL SOCIETY (VOLUME 21 (1889))

Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1889. Excerpt: . . . GYNECOLOGY. PHILO E. JONES, M. D. , CHAIRMAN. THE ETHICS OF REST AS APPLIED TO THE PREVENTION AND RELIEF OF UTERINE DISORDERS. PHILO E. JONES, M. D. Ladies and Gentlemen: --In these days of operative gynaecology, it has occurred to me that it would be acceptable, if for no other reason than for variety, to call your attention to a remedy which, for its application, requires neither scissors, sutures nor sponges, is always aseptic and has entire freedom from the much dreaded bacteria. As a remedial measure in the treatment of diseases of the female generative organs, rest has held a variable value with practitioners. Doubtless some have exaggerated its importance, while others regard it as a minor matter. Probably the majority of physicians to-day do not give it that attention which it deserves, and consequently do not seek from it those benefits which its judicious employment would most certainly afford. The failures to derive benefit in uterine therapeutics from rest may be attributed to its having been advised in unsuitable cases, or to not associating with it other important therapeutic measures. Another important reason for its neglect will be found in the inability or unwillingness to obey its requirements. Family cares and responsibilities and the claims and attractions of society often negative the better judgment of the physician. However accounting for the, as I believe, undeserved neglect into which this therapeutic measure has fallen, a brief study of it--what it is, how it may...
