

Mayo Clinic on Prostate Health

By David M. Barrett (Ed.)

Orient Paperbacks, New Delhi, India. Softcover. Book Condition: New. Prostate diseases is, in essence, the male counterpart of breast disease. Just as women fear breast cancer, men worry about their prostates. That's understandable. Like breast cancer in women, treatment for prostate cancer can sometimes lead to difficult decisions and unexpected consequences. This easy-to-understand book focuses on three common conditions - prostatitis, benign prostatic hyperplasia (BPH) and prostate cancer. All these conditions are often easily treated. The key to a good outcome is early diagnosis. When detected early, cancer and other prostate disorders have the best chance of successful treatment with minimal side effects. That's why it's important that you know the early warning signs of prostate disease and, if you're at least 40 years old, that you have yearly checkup. Printed Pages: 184.

Reviews

Very beneficial for all type of folks. It can be rally intriguing throug studying time. You will like how the writer publish this ebook.

-- **Nathan Cruickshank**

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
