There comes a time when public officials need to de-pend upon the advice of experts when you have a situation like the spread of West Nile virus. When the Indiana Allen County boards of health agreed that spraying was needed to help reduce risk of the West Nile virus spreading, it should have not been delayed by some public officials. We need to work together, local, State, and Federal, to fight the public enemy of West Nile virus like we are working together to fight terrorism. As I say, this has been a very difficult issue, multiple deaths, still more notices pouring in on the infection. Part of the problem has been that there has been no clear test, and people cant get the results for 3 weeks. Some of them are now down to 10 days. No specific medication exists to treat it, and no vaccine is available to prevent it, which means its as scary a phenomenon as you can have as a parent and family member. Food and Drug Administration has predicted...
