Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from *The Huguenot: Bartholomew Dupuy and His Descendants* The author has long contemplated the publication of such a volume as this. The main reason, which has induced him to do so, has been the long and wide felt desire of the descendants of Bartholomew Dupuy for such a volume, that the data relative to the whole subject, and the lines of descent from him might be collated, preserved, and handed down to rising generations, before time had ground them into dust and all tradition been buried in the grave of oblivion. The work has been in contemplation and partial preparation for more than a quarter of a century, but it has been only of recent years that it was undertaken with the determination to effect its completion. The preparation has been attended with much tedious labor and persevering energy, as well as the exercise of great patience, of which no one knows anything save him who has undertaken or assisted in such a task. In these times, when people are driving heedlessly ahead, if not to hoard up riches, at least to become independent, often in disregard of obligations to their fellow men, many of the descendants take little or no interest in their ancestry; and whether they knew anything of importance on the subject or not, they would not answer letters, and furnish that data necessary to make a volume like this valuable to generations unborn.
