The Superhuman Olympics are underway, and Kid Muscle is already being taken for a ride--by the Coasterman, a living roller coaster. Will Kid Muscle survive Will he and his portly (and a little too friendly) partner Sasaki finish the all-important three-legged race Is there a more humiliating way for the universes greatest intergalactic wrestling champ to meet his endOf course there is. If Kid Muscle makes it to the first real bout of the Superhuman Olympics, hell come face to porcelain with his most unforgettable foe yet, the mind-boggling Hollywood Bowl. Hes got strength. Hes got skill. And, yes, hes got a toilet for a head. Kid Muscle can laugh all he wants, but hes the one about to get (ahem) dumped on! This item ships from multiple locations.
