

Doctor Dunbars Good Little Dog Book

By Ian Dunbar

James & Kenneth Publishers. Paperback. Book Condition: New. Paperback. 144 pages. Dimensions: 8.3in. x 5.5in. x 0.4in. This little book is intended primarily as a brief but comprehensive guide to puppy training. Consequently, it contains hints for socialization, temperament training and behavior modification as well as tips for teaching basic manners. Dr. Dunbar's lure-reward training techniques are certainly not limited to puppies. On the contrary, they have become the method of choice for instructing good-natured, but otherwise uneducated adult dogs. Our best friend the domestic dog is a social animal. It would be unfair and antisocial not to train it. How else could we communicate? Luckily, dogs can easily learn our language if we teach them! Basically, training comprises teaching dogs English as a Second Language so that our dogs will understand human words for doggy behaviors and actions. Lure-reward training is de rigueur for training a wide variety of animals, including lions, tigers, killer whales, and grizzly bears. Over a hundred years ago, similar reward-based methods were the accepted practice for training all dogs and puppies. Unfortunately, in the twentieth century, the Trainers from The Dark Side inflicted a harsher regime of laborious, on-leash, push-pull, squish-squash, narrow-brained methods on unsuspecting owners and their...

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Natalie Abbott**

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
