

## Ethics for Nurses: Theory and Practice

---

By Pam Cranmer, Jean Nhemachena

Open University Press. Paperback. Book Condition: new. BRAND NEW, Ethics for Nurses: Theory and Practice, Pam Cranmer, Jean Nhemachena, Ethics underpin all aspects of nursing activity but the concepts can often seem remote or inaccessible. This refreshing new book will help nurses explore and explain key aspects of ethical nursing practice in a practical and engaging way. Using plentiful examples and case studies, this book focuses on showing readers how to apply ethical principles to everyday nursing practice and deliver excellent care as a result. The book explores and helps answer questions such as: What are rights?; What is dignity?; How are nurses accountable?; How does the law relate to ethics?; and What is a dignified death? The authors have created a set of fictional characters who experience various healthcare dilemmas and scenarios, and appear throughout the book. These characters help illustrate different aspects of ethics in healthcare and bring ethical concepts and decision making to life. This book is essential reading for nurses preparing to qualify or those already qualified and doing further study. "This is an ideal introductory text for students of nursing and other allied health professions because it is written in an accessible style. The authors...
