How Some Retailers Make More Money Than Others: Inexpensive, Easy-To-Implement Ways to Growing Your Store s Performance (Paperback)

By Paul Watkins

New Zealand Standard Book Numbering Agency, United States, 2011. Paperback. Book Condition: New. 202 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.Making money as an independent retailer, be it under your own brand or that of a franchise group, is not easy. How do you generate a profit when all around you huge discount stores are offering the same products at lower prices and spending millions on advertising? This book explains how growing your store s profits starts with an understanding of the three-part Critical Retail Formula. The formula is Customer Numbers x Customer Spend x Gross Margin = Gross Profit and you must have a strategy for each of these. What you will learn: - Why mass media advertising is a waste of your time and money - Why putting dots on a map is the best market research - How to become the local guru in your field - How to maintain your gross profit despite a falling customer count - The surprisingly big impact you can achieve on sales just by rearranging your shelves and store layout. - How your next new customer is already standing in front of you i.e....
