Code Break. Paperback. Book Condition: new. BRAND NEW, A Twist of the Wrist: v.2: Basics of High-performance Motor Cycle Riding, Keith Code, This second volume uncovers and traces the direct links between man and machine. Keith's unique ability to unravel complexities and establish simple, essential principles, provide both street and race riders with real tools to think about, and understand for themselves the problems of riding. The author says: "The ten years since the publication of TWIST OF THE WRIST have been exciting ones for motorcyclists. That volume was my first attempt to create a 'technology' of riding: I knew there was one, it was simply a question of finding it. But TWIST OF THE WRIST II contains more real riding technology and addresses the source of our classic rider problems."
