I crafted every portion of you and I am delighted with my work. I have a purpose and a plan for your life, and I will walk with you every step of the way. Will you trust me? When you think of purity, what comes to mind? Perfect behavior? Impossible standards? Everything focused on waiting for that special guy? If so, you're not alone. The good news is purity isn't just a list of don'ts---don't think that way, don't look that way, don't act that way. It's a God-designed plan for a happy life. Honest, humorous, and real, Pure Love, Pure Life provides practical tools to help you navigate the temptations and frustrations you face every day, stories from girls who have been there, and tips on what to do if your pure life takes a detour. Discover a new vision of purity, how you can live it in today's broken reality, and why it's worth the effort.
