Chronicle Books. Hardcover. Book Condition: New. Lorena Siminovich (illustrator). Board book. 10 pages. Dimensions: 8.5in. x 8.0in. x 0.6in. From Georgian cities to modernist masterpieces, architecture in Ireland has a long history of excellence. The last fifteen years, however, witnessed more social, economic, and cultural change than any previous period on the island, leaving a dramatic mark on the countrys architecture. A new commitment to design quality by developers and a series of government-sponsored competitions to design new civic buildings enabled Ireland to become for the first time a net importer of architectural talent. These architects, from disparate cultures and design backgrounds, filled Irelands landscape with modern architectural masterworks, from small private homes to large community centers. In Full Irish author Sarah A. Lappin examines the nature of twenty-first-century Irish architectural identity as it develops its own progressive, contemporary idiom. Illustrated with color photographs and drawings, Full Irish includes more than seventy projects from Irelands leading firms as well as its up-and-coming designers: Boyd Cody, Alan Jones, de Blacam and Meagher, Bucholz McEvoy, de Paor Architects, FKL Architects, Dominic Stevens, Grafton Architects, HenchionReuter, Hackett Hall McKnight, Heneghan. Peng, McCullough Mulvin, Hassett Ducatez, MacGabhann Architects, ODonnell Tuomey, and ODOS Architects. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Board book.
