A PAWN IN THE PLAYBOY'S GAME

Harlequin (UK). Paperback. Book Condition: new. BRAND NEW, A Pawn in the Playboy's Game, Cathy Williams, A grand master of seduction. Alessandro Falcone is notorious for winning-in every pursuit. Being forced back to Scotland on business is an inconvenience for the billionaire bachelor, but he'll get in, get what he wants and get out-until the delectable Laura Reid becomes a welcome distraction on the long, cold Highland nights. Laura might be the opposite of the glossy women Alessandro usually favours, but her voluptuous figure and fresh-faced innocence have an allure that makes her all the more of a challenge. And in the game of seduction this playboy always wins! Praise for Cathy Williams Bound by the Billionaire's Baby 4.5* RT Book Review Williams offers lively, smart dialogue and nice descriptions of quirky characters. The attraction between Susie and Sergio is apparent from the beginning, and the zany start to the story is quite refreshing. The Real Romero 4* RT Book Review Williams takes readers on a luxurious ride from London to the snow-capped French Alps and, finally, to sunny Spain. Her quaint Brit-isms add legitimacy, but it's her couple's entertaining interactions that keep the story interesting. To Sin with the Tycoon 4* RT Book Review Williams' office romance is a Cinderella-esque tale between her very un-Prince Charming-type hero and her cautiously reserved heroine who've both overcome horrendous childhoods. Her authentic English settings inspire, and the relationship-building is truly well done.
