Bloomsbury Publishing PLC, United Kingdom, 2014. Paperback. Book Condition: New. 244 x 169 mm. Language: English . Brand New Book. Children love constructing models and other objects, and working with found and recycled materials has a firm and continuing place in the early years, encouraging children to be imaginative and creative as they practice their skills in joining, wrapping, bending and cutting. These materials that are often free or low cost, are available everywhere, waiting for imaginative practitioners to find and use them. This book gives you 50 ideas for using free, cheap and recycled materials in your setting, both for creative and independent play and for specific projects. The resources suggested are all easily available, and the ideas are only starters for the continuing interest children have in this sort of work.
