But, Mr. Hoag contends, the system must be applied to the election of at least one entire chamber of the Porto Rico legislature before it can be expected to give satisfactory results. The proposed non-transferable balloting also has other defects, as compared with the Hare system, which are set forth in the April number of the Proportional Representation Review. A WARTIME BIT FOR THE FEEBLEMINDED TRAINING the feeble-minded to useful labor is an important element in their institutional education. An opportunity for the spread of an interesting experiment in this field is believed by many institutional superintendents to be afforded by the present demand for an extension in farming operations to increase the food supply. For several years Rome State Custodial Asylum, a state institution for the feeble-minded at Rome, N. Y., has trained its better...
