BETWEEN HEATHENISM AND CHRISTIANITY (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Between Heathenism and Christianity In the following pages I have attempted to put before my readers a solution of some of the problems to which this question gives rise. No one will deny that Seneca stood on the threshold of Christianity, while in the opinion of many he had already passed within; yet all will admit that, at best, he fell far short of the standard Christianity sets up for its converts. Plutarch is not claimed by Christians, but he exemplifies many of their virtues, and commends many of the precepts they endeavored to put in practice. These two men best represent the strong and the weak points of characters formed under the stimulus of earnest effort to lead upright lives and to discharge faithfully their duties to themselves, their fellow men, and the higher power that controlled their destinies. I have selected a typical work from the writings of both as a nucleus around which to group such reflections and facts as seem best fitted to illustrate the environment in which they lived and the intellectual inheritance to which they had fallen heir, while I have allowed each to speak for himself on one of the profoundest problems that has ever engaged the serious attention of man.
