

Barn Quilts and the American Quilt Trail Movement

Filesize: 1.33 MB

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Ally Reichel)

BARN QUILTS AND THE AMERICAN QUILT TRAIL MOVEMENT

Ohio University Press. Paperback. Book Condition: new. BRAND NEW, Barn Quilts and the American Quilt Trail Movement, Suzi Parron, Donna Sue Groves, The story of the American Quilt Trail, featuring the colorful patterns of quilt squares writ large on barns throughout North America, is the story of one of the fastest-growing grassroots public arts movements in the United States and Canada. In Barn Quilts and the American Quilt Trail Movement Suzi Parron travels through twenty-nine states and two Canadian provinces to visit the people and places that have put this movement on America's tourist and folk art map. Through dozens of interviews with barn artists, committee members, and barn owners Parron documents a journey that began in 2001 with the founder of the movement, Donna Sue Groves. Groves' desire to honor her mother with a quilt square painted on their barn became a group effort that eventually grew into a county-wide project. Today, registered quilt squares form a long imaginary clothesline, appearing on more than three thousand barns scattered along one hundred driving trails. With more than fifty full-color photographs, Parron documents a movement that combines rural economic development with an American folk art phenomenon.
