Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Paul and Virginia: An Indian Tale This charming little romance has, indeed, conferred immortality upon its author; and, perhaps, there can be bestowed upon it no greater commendation. Although, at first, received with open coldness and disrespect by the literary circle to which it was read by its author, yet a happy circumstance having caused its publication, Time - the true test of merit - has decided that it is worthy of the perusal of all, and the finer feelings of the human heart give answer that its moral is pure and perfect. So numerous have been the translations of this very popular work, and so often has it been negligently and inelegantly rendered, that a more correct edition seemed to be demanded. The publisher trusts that the present, new edition will be found more worthy of perusal than those by which it has been preceded. Considerable care has been taken to divest the language of all coarseness, and to expurgate those portions of the narration which have been condemned by critics and scholars.
