## ***Reviews***

*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

BRAND NEW, Mockingbird, Kathryn Erskine, This is a heart-warming story of loss and recovery that won the American National Book Award 2010 - one of the most moving books you'll ever read. 11-year-old Caitlin has Asperger's syndrome, and has always had her older brother, Devon, to explain the confusing things around her. But when Devon is killed in a tragic school shooting, Caitlin has to try and make sense of the world without him. With her dad spending most of his time crying in the shower, and her life at school becoming increasingly difficult, it doesn't seem like things will ever get better again.
