*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

At 19, Marnie plunged into first love with Joe, a guy who was completely wrong for her. Their romance was fast and exhilarating and like nothing Marnie had ever experienced or understood. Just as quickly as it began, it was over, with no explanation. He left her with unanswered questions and unexpected feelings of loss and regret, and a quiet grief she would carry with her for the next fifteen years. When Joe returns, Marnie is a 34-year-old wife and mother to two rambunctious little boys, who is slowly healing from a devastating loss. All the emotions she suppressed from the past fifteen years surge to the surface, threatening to ruin her marriage and destroy her family. She ll need to confront the one person who hurt her the most to realize that love and loss sometimes go hand in hand. and that you have to live with some of your toughest choices for the rest of your life. A Little Bit of Everything Lost is part coming-of-age/part love story. It s a story about a woman desperate to make peace with the past. It s for all women who have ever experienced the magnitude of first love, whether it was a lasting bond or a fleeting moment. Because first love - while it might not have been the best love - is a love none of us ever forgets.
