THE 21ST CENTURY PARADIGM SHIFT FOR THE PASTOR AND HIS WIFE: ONE FLESH MARRIAGE ONE FLESH MINISTRY (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.A paradigm is the way you have thought about something all your life. Shifting a paradigm happens when you open your mind to the fact that what you ve always thought about something may in fact be different. God is calling for a paradigm shift in ministry. What worked in the past is not working today. Question, can the pastors admit that what they thought about ministry and marriage may in fact be different than what is on the mind of God for today. This book will give you all the necessary tools to shift. If you would embrace these concepts your marriage and ministry would be phenomenal. Read a powerful letter of confession by a local pastor that was written to his wife and church congregation. I didn t fight so the spirit of fighting for your marriage is not dominant in this church because I did not usher it in. So when many of your marriages got difficult there was no fight in you because you didn t see someone fighting to save theirs. I wrongly accused her of wanting to be co-pastor when all she wanted was to be my help meet.
