Counterpoint. Paperback. Book Condition: new. BRAND NEW, What Would Bill Hicks Say?, Ben Mack, Kristin Pulkkinen, If Bill Hicks were alive today, what would Bill Hicks say? In 250 words or less, and in a picture or text, writers, comedians, musicians and cartoonists rant and let it fly. Bill Hicks spent most of his short life making audiences roar - and censors cringe - with biting social satire about everything from former president George Bush to rock stars who hawk diet Coke. A constant in the writing in the media about Hicks in the decade since his death is the urge to understand what Hicks would have said about the second George Bush, the second War in Iraq, the rise of reality TV and the ever-deepening penetration of the artistic sphere by commercial imperatives. Hicks said he was planting seeds. By asking people to channel his indignation and outrage, this book will water those seeds. More than just a tribute to Hicks' legend, "What Would Bill Hicks Say?" is a reflection of the present moment.
