Silhouette, 2007. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Dry, offbeat, and mostly profane, this debut collection of humorous nonfiction glorifies all things inappropriate and TMI. A compendia of probing essays, lists, profiles, barstool rants, queries, pedantic footnotes, play scripts, commonplace miscellany, and overly revealing memoir, *How to Be Inappropriate* adds up to the portrait of an artist who bumbles through life obsessed with one thing: extreme impropriety. In *How to Be Inappropriate*, Daniel Nester determines the boundary of acceptable behavior by completely disregarding it. As a twenty-something hipster, he looks for love with a Williamsburg abstract painter who has had her feet licked for money. As a teacher, he tries out curse words with Chinese students in ESL classes. Along the way, Nester provides a short cultural history on mooning and attempts to cast a spell on a neighbor who fails to curb his dog. He befriends exiled video game king Todd Rogers, re-imagines a conversation with NPR's Terry Gross, and invents a robot version of Kiss bassist Gene Simmons. No matter which misadventure catches their eye in this eclectic series of essays, *How to Be Inappropriate* makes readers appreciate that someone else has experienced these embarrassing sides of life, so that they won't have to.
