The Commentar itself is a new translation and explanation of Genesis, - a bulky book, and in its German form of course accessible only to American and English scholars, and not to the general public. The present Introduction contains the gist of Professor Gunkel s Commentar, or exposition of the latest researches on Genesis in the light of analytical and comparative mythology. Professor Gunkel is an orthodox Protestant theologian who appreciates to the utmost the intrinsically religious value of the Bible. He says: The conclusion that any given one of these narratives is legend is by no means intended to detract from the value of the narrative; it only means that the one who pronounces it has perceived somewhat of the poetic beauty of the narrative and thinks...
