

Life and Livelihood: A Handbook for Spirituality at Work (Paperback)

Filesize: 4.81 MB

Reviews

It is in a single of the best book. This is for those who stante there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Dr. Barney Robel Jr.)

Continuum International Publishing Group Ltd., United Kingdom, 2004. Paperback. Book Condition: New. 221 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.Many working people may have the uneasy feeling that when they clock in every morning, they check their real selves at the door. Caring, compassionate, generous human beings who look after families and volunteer in the community take on the values of the workplace, where fierce competition may trump kindness and concern. People who might exercise all the best attributes of Christianity in action often feel they have to put on alter egos that fit into a business world that may be less in tune with Christian values. It s the kind of great divide that makes people yearn for greater connection between their at-work selves and their at-home selves. And it s led to the formation of the spirituality at work movement, helping those eager to align their spirituality with their professional lives. This book provides the nuts-and-bolts of running a workplace spirituality group. It offers hands-on information about everything from forming a group to facilitating a meeting, and even includes detailed agendas for 45-minute meetings. With the easy-to-use agendas, participants explore such questions as Can our work be sacred? What is real wealth? and How does language shape our values? Life and Livelihood is designed to be respectful of-and applicable to-those of most faith traditions, although Christian themes, images, and references predominate.
