Nineteen Clues: Great Transformations Can be Achieved through Collective Action makes the case that there are two threats to our children that impact every aspect of their present and future lives. The first threat to our children is the hostile take over the US public education system. Noam Chomsky calls it, the campaign to destroy those parts of the education system that enrich the lives of students, that interfere with indoctrination, with control, with imposing passivity and obedience. While Diane Ravitch writes, Never have public schools been as subject to upheaval, assault, and chaos as they are today. Across America parents and teachers are organizing in response to this dangerous threat to children, to democracy, and to the future of US society. Nineteen Clues traces the emergence of a powerful and dynamic children s civil rights movement, including the establishment of organizations such as United Opt-Out, BadAss Teachers, and Save Our Schools. The second threat to our children is the great acceleration in the changes taking...
