This is the origin of the modern name of Iran. The name of the Armenians, Aghavan, is derived by Bore from Agho which is Alo which is Arya, and means language should be a scion of the same stem, whose branches overshadow the civilized world of Europe, no one would have ventured to affirm before the rise of Comparative Philology. It was the generally received opinion that if Greek, Latin, and German came from the East, they must be derived from Hebrew--an opinion for which at the present day not a single advocate could be found, while formerly, to disbelieve it would have been tantamount to heresy. No authority could have been strong enough to persuade the Grecian army that their gods and their heroancestors were the same as those of King Porus, or to convince the English soldier that the same blood was running in his veins, as in the veins of the dark Bengalese. And yet there is not an English jury now a-days, which, after examining the hoary documents of language, would reject the claim of a common descent and a legitimate relationship between Hindu, Greek, and Teuton. Many words still live in India and in England that witnessed the first separation of the northern and southern Arians, and these are witnesses not to be shaken by any cross-examiuation. The terms for God, for house, for. father, mother, son, daughter, for dog and cow, for heart and tears, for axe...
